How has/will this program benefit you?

- Gave me some new things to talk about
- Grad students and future academic advisors agreed these issues will be presented to me in the future in my classroom
- How to guide and facilitate conversation on drugs/alcohol with my children
- Any information is powerful
- The Resource Fair was very helpful

How can the Community Coalition for Children offer further support in your community?:

- Keep offering **More** of these programs
- Reach out to more families in order to fill the Garde Arts Center
- Follow up at Town Meetings, Girl/Boy Scouts, sport teams
- Reach out to Southeaster RI
- Having positive activities for adolescents
- Join forces with youth bureaus

What speakers of topics would be of interest to you for future programs?

- Healthy Relationships
- Mental Health and youth
- Bullying
- STD's in youth
- Positive Parenting
- Resilience Speaker again, from last year
- Social Media awareness

Other Comments:

- I appreciate the open, honest approach of this program, very humble
- The spanish interpreter in the background was very distracting
- Look forward to this forum yearly
- Excellent, Engaging, Dynamic speaker
