

**COMMUNITY COALITION FOR CHILDREN
BECOMING AN ORGANIZATIONAL PARTNER**

MEMBERSHIP DONATION

Public Schools

\$ 500 – initial year
\$1,000 – succeeding years

Community Organizations

\$500 - \$1,000 per year and/or in-kind services

Budgetary constraints, especially of smaller non-profit organizations, are understood. Any support in areas such as printing, postage, copying, phoning, etc., would be appreciated greatly.

BENEFITS

- Accessibility to renowned speakers and local resources on current issues.
- The ability to work with like-minded individuals and organizations to face common issues and concerns of children and families.
- The opportunity to create and participate in intergenerational forums.
- Accessibility to an ongoing network and exchange of ideas and/or outreach.
- Access to a forum to discuss practical solutions for everyday living and working with children.

EXPECTATIONS

- Representation at monthly Coalition meetings. Meetings are held the second Wednesday of the month at UCFS, 47 Town Street in Norwich, from 9 a.m. to approximately 10:30. Each partner organization should designate a representative and an alternate.
- Committee involvement. Each representative selects a committee annually on which to actively participate. Partner representatives chair all committees.
- Provide critical connection and communication of the needs of their school or organization with CCC program, logistics, and contacts.
- Publicity and promotion of CCC activities, including the printing and distribution of a one-page flyer, is essential by each partner of the Coalition. Every student in educational institutions should bring home a flyer for our main fall program. In addition, Partners and Friends of the CCC are requested to distribute posters within their organization and throughout the general community.
- Promote events and event dates on organizational calendars as soon as possible.
